Sir,

Cm 24 55 - 107

Subject Fixing the initial pay of drivers consequent upon the revision of scale of pay from 30-2-50 to Rs 45-2-65 sanctioned in Government Order No L 1988-9/CM 6-49-38 dated 20-5-1950

Ref Your letter No L 933/CM 24-55-24 dated 21-4-1955

The five drivers noted in the margin were extended the benefits of weightage in the revised grade Rs 45-2-65 Out of these drivers one Sri S Shivanna has already been transferred to the City Improvement Trust Board Office, Mysore and Government have accorded sanction for giving benefits of the said revised grade with effect from 1-1-1947 vide G O No L 129-55-56/CM dated 26-54-164 dated 22-1-1955

1) Sri S Shivanna
2) Sylvestor
3) S S Rajoo
4) Sabjan
5) Ahamad Beig

There are only two drivers viz , Sri Sabjan and Sri Y K Ahamad Beig are serving at present since the remaining 2 drivers Sri S S Rajoo and Sri Svlvestor have already been retired with effect from 19-6-1954 and 24-12-50 respectively As the drivers represent, that they would be put to great hardship, if the excess amounts paid to them were to be recovered, it is felt rather unfair to insist upon the recovery at this stage, of amounts which were paid already to them as per resolution of the Municipal council

In these circumstances, I request you kindly to move Government to reconsider the action taken as per resolution of the Municipal Council giving the benefit

of weightage second time to the drivers as a very special case

Sir,

With reference to your order No 1-923/C M 24-55-24, dated 21-4-1955, out of my fixed deposit amount, in the savings bank, I beg to represent as follows

From a long time I was presseing for the disposal of my application to give me the weightage of pay and I regret very much that due to the mistake of the council clerk, the letter was held up I have served the city Municipality for nearly 28 years and at the tail end of my service if I should be penalised like this, I must consider that this is the fate awaiting persons discharging duties loyally

Since 1950 I have enjoyed this weightage and I do not know the reason as to why I should be deprived of it now You are aware that after all the pay I was drawing was too poor and it he become a great difficulty for me to pull with the family in the megre pay I was drawing

When I have retired even the poor money I saved is to go to the Govt for no fault of mine The commissioner had recommended my case several times I do not know what honour these recommendations have received in the hands of Govt

I know make a special appeal to you sir, and request that the present order may kindly be waived and weightage sanctioned

This will go a lorg way to help a poor retired official who has suffered a lot during the tenure of office

Sir,

I respectfully beg to submit this appeal to you and request that my long-standing case may be taken up and personal evince interest to give me justice and take into consideration the recommendations made by the Municipal Commissioner to the Government for special sanction in Memo No.251/54-55 dated 31st May 1955 and on 5 7 1955

I am a permanent driver of the Mysore City Municipality, since the year 1927 After repeated representations when the new grade of Rs 45-2-65 was sanctioned from 20 3 1950, I was drawing Rs 60/- for more than three years In view of this stagnation and that I had only a few years of service, the municipal council while allocating the drivers in the newly sanctioned scale of Rs 45-2-65 fixed my pay at Rs 65/- with effect from 25 5.1950, as a special case vide Council Resolution No 428 dated 6 8 1951 I continued to draw the same till my retirement In this connection, I beg to represent that the sanction of Government should have been obtained for this special grant I regret very much that due to the mistake of the Council Clerk, the letter was held up

It appears that Government Order No 1-923/CM 24-55-24 dated 21 4 1955 have taken objection to this payment of advance increment Since 1950, I have enjoyed this weightage and I do not know the reason as to why I should be deprived of it now Subsequent revision of the grade of pay of several other drivers and as per Government Order No L 1988-9/WR CM 6-49-38 dated 20 5 1950, the revised grade of pay of the drivers became 45-2-65 As I was already drawing Rs 60/- in grade Rs 50-2-60 which was the maximum grade of pay of the drivers then and as the scale pay of the drivers was revised with effect from 20 3 1950, my salary has been fixed in accordance with the rules at Rs 65/- with effect from 20 5.1950 which is one of the stages of the running grade of pay of the drivers, which the Hon'ble Minister himself is competent to order

In submitting herewith the copies of my representations, I now make a special appeal to you Sir, and request that the present order may kindly be waived, and weightage of Rs 5/- sanctioned and relieve me of the great anxieties which I am undergoing every day without pension

Thanking you in anticipation

Sir

Having no other alternative, and after having expereinced an exercecciating mental agony for over a period of one year, I have decided to make this special appeal to you with fervent hope that justice could be had and my prayers granted

Many petitions of mine including special recommendations made from time to time by the Municipal Commissioner have been thrown away without being considered

My pay at Rs.65/- with effect from 25-5-50, as a special case vide council resolution No 428 dated 6 8 1951, I continued to draw the same till my retirement

In submitting herewith the copies of my representations, I respectfully beg to submit this appeal to you and request that my case may be taken up and personal evince interest to give me justice and take into consideration recommendations made by the Municipal Commissioner to grant the waitage of pay of Rs 5/- and releive me of the great anxieties which I am under going every day without pension.

To

The Secretary to Government of Mysore,

B A N G A L O R E.

Sir,

Sub: Grant of Waitage

I write to state that I was working in the Lorry - Section in Mysore City Municipality and retired recently after having worked for 28 years.

After repeated representations Government were please to sanction the revision of the grade of Lorry Drivers of the Mysore City Municipality and fix it at Rs.45-2-65 from 20-3-1950. The previous grade was 30-2-50 and in my case it was 50-2-60 consequent on my seniority and service had been fixed on Rs.60/- from 1-1-1947.

When this new grade of Rs.45-2-65 was sanctioned from 20-3-50, I was drawing Rs.60/- for more than 3 years. In view of this stagnation and that I had only a few years of service, the Council while allocating the Drivers in the newly sanctioned scale of 45-2-65 fixed my pay at Rs.65/- with effect from 25-5-50, as a special case, vide Council Resolution No.428 dated 6-8-1951, I continued to draw the same till my retirement.

But recently it appears that Government have taken objection to this payment of advance increment.

In this connection, I beg to represent that sanction of Government should have been obtained for this special grant why it was not, is not known to me. The result is that my case is mixed up with other four Drivers. On my representing these facts the Commissioner has been kind enough to recommend my case to Government for special sanction (Memo No.261/54-55 dated 31st May 1955).

In submitting herewith a copy of my representation, I humbly request that you may be pleased to obtain sanction of Government to resolution No.428 dated 6-8-1951, fixing my pay at Rs.65/- from 20-3-50. I am a very poor man and was drawing a very low salary for a number of years without any increments. It is only during the last few years of service that the Council were pleased to encharce my grade of pay. I have already drawn the enhanced rate of pay and also retired from 19-6-1955. As such it would be a death blow if the action of the Counci is not sanctioned, and I were to be made to refund the salary already drawn.

I am a poor man with a big family. In view of this and in view of my long and good work in Mysore City Municipality on a very low pay. I was re-entertained for one year after my retirement vide G O.2112/C M. 26-54-56 dated 29-5-54. In these circumstances, I fervently pray that approval may be accorded for having granted me the salary of Rs.65/- in grade 45-2-65 from 20-5-1950 as a special case.

For which I shall be ever grateful.

Sub: Settlement of my pension claims

With reference to the above, I beg to state that I am a permanent driver of the Mysore City Municipality since the year 1927 and I am one of the three then existing drivers whose services are made permanent and pensionable under the cover of Government order number L 1132-3/ML. 2-28-11 dated 2/4th August 1928

From stages I rose to the grade of Rs 50-2-60 and on 1 1 1947 was fixed on Rs 60/- in grade Rs 50-2-60 and the difference of salary was drawn and paid to me on 31.3 1947 This fixation of my salary was in accordance with the approval conveyed in G O No L 10307-8/ML 105-48-91 dated 16 3.1949

Later subsequent revision of the grade pay of the several other drivers was considered and as per G O No L 1988-9/WR CM 6-49-38 dated 20 5 1950 the revised grade pay of the drivers became 45-2-65 As I was already drawing Rs 60/- in grade 50-2-60 which was the maximum grade pay of the drivers then and as the scale pay of the drivers was revised with effect from 20.5 1950 my salary has been fixed in accordance with the rules at Rs.65/- with effect from 20 5 1950 which is one of the stages of the running grade pay of the drivers, which the unit officer himself is competent to order

This has also been done on the score that in case the running grade of drivers was at Rs.45-2-65 as on 1 1.1947 itself, I would have been fixed at Rs 51/- if I was not drawing the minimum scale pay of the post viz., Rs 45/- as on 1 1.47 But for the fact that I was in grade 50-2-60 and was drawing the maximum scale of Rs 50/- in the old grade Rs 40-2-50 the revision of salary in respect of the post held by me was on Rs 50-2-60 and I was fixed at Rs 60/- in grade 50-2-60, and if this grade had continued with a rise of Rs 2/- per annum as on 1 1 48, I should have got Rs 62/- 1 1 49, Rs 64/- and on 1 1 50 Rs 66/- Taking this into consideration my salary has been fixed at Rs 65/- which is the maximum grade pay of the post So grant of increments and payment of arrears of salary to me has been in order, as I feel and there seems to be no reason to feel that the present Government order No L 933/CM 24-55-24 dated 21 4 1955 has any effect on the above payments or regarding me

Under these circumstances, I pray that my pension papers based on the salary actually drawn by me and admitted to in audit, may be got prepared and arrangements made to sanction me pension to mitigate my possible hardship soon after the period of my rehiring in the Municipality is over

The favour of kind consideration of the above prayer is earnestly requested and hope that under your noble regime, my claims will be got settled before I actually relinguish my rehired tenure of office

Begging to me excused for the lengthy representation

Yours obediently,

I beg to lay my humble representation to your kind and sympathetic consideration with fervent hope of receiving early favourable orders

In continuation of my representations dated 14 3 1955, 13 5 55, 26 6 55, 22 7.55, 16 5 55, 3 8 55 and subsequent reminders thereon requesting to grant the weightage of pay of Rs 5/- as a special case vide Municipal Council resolution No 428, dated 6.8 1951

In this connection, I beg to represent that the sanction of Government should have obeen obtained for this special grant I regret very much that due to the vast negligence duty of the Council Clerk the resolution letter was held up for a period of 5 years This concrete instance clearly shows how a step-motherly treatment has been accorded to me out of mere personal prejudice for having not sent the resolution in time Though the Municipal Commissioner has recommended my case to the Government for special sanction in Memo No 261/54-55, dated 23 10 1954, and subsequent reminders thereon, nothing has been done till to-day

But, Government in their letter No L 933/C M 24-55-24, dated 21 4 55 from the Secretary to Government Local Self Government that the weightage for the second revision of grades into Rs 45-2-65, is not financially acceptable on the basis of this letter, Municipal Commissioner has ordered to deduct Rs.197/- out of the Security Deposit, that was deposited by me

As such will it not be a death-blow to a poor retired man like myself who has put in for 28 years of service if the action of the Municipal Council is not sanctioned and I were to be made to refund the amount already drawn?

In this connection, I may kindly be permitted to draw your kind attention towards the Government Order No 1988-9/W R C N 6/49-38, dated 20 5.1950 the revised grade pay of the drivers became 45-2-65, as I was already drawing Rs 60/- in grade Rs 50-2-60 which was the maximum grade of pay of the drivers then and as the scale of the drivers was revised with effect from 20 5 50 My salary has been fixed in accordance with the rules at Rs 65/- with effect from 20 5 1950, which is one of the running grade of pay of the drivers which the well expereinced officer himself is competent to order

Having no other alternative, and after having expereinced an exerceciating mental agony for over a period of one year, I have decided to make this special appeal to you with fervent hope that justice could be had and my prayers granted

Many petitions of mine including special recommendations made from time to time by the Municipal Commissioner have been thrown away without being considered

My pay at Rs 65/- with effect from 25-5-50, as a special case vide council resolution No 428 dated 6 8 1951, I continued to draw the same till my retirement

But recently it appears that Government have taken objection to this payment of Advance increment

In this connection, I beg to represent that sanction of Government should have been obtained for this special grant why it was not is not known to me

In submitting herewith the copies of my representations, I respectfully beg to submit this appeal to you and request that my case may be taken up and personal evince interest to give me justice and take into consideration recommendations made by the Municipal Commissioner to grant the waitage of pay of Rs 5/- and releive me of the great anxieties which I am under going every day without pension

With reference to the above, I beg to state that I am a permanent driver of the Mysore City Municipality since the year 1927 and I am one of the three then existing drivers whose services are made permanent and pensionable under the cover of Government order number L 1132-3/ML 2-28-11 dated 2/4th August 1928

Sir,

Sub: Grant of Waitage

I write to state that I was working in the Lorry - Section in Mysore City Municipality and retired recently after having worked for 28 years

After repeated representations Government were please to sanction the revision of the grade of Lorry Drivers of the Mysore City Municipality and fix it at Rs 45-2-65 from 20-3-1950 The previous grade was 30-2-50 and in my case it was 50-2-60 consequent on my seniority and service had been fixed on Rs 60/- from 1-1-1947

When this new grade of Rs 45-2-65 was sanctioned from 20-3-50, I was drawing Rs 60/- for more than 3 years In view of this stagnation and that I had only a few years of service, the Council while allocating the Drivers in the newly sanctioned scale of 45-2-65 fixed my pay at Rs 65/- with effect from 25-5-50, as a special case, vide Council Resolution No 428 dated 6-8-1951, I continued to draw the same till my retirement

But recently it appears that Government have taken objection to this payment of advance increment

In this connection, I beg to represent that sanction of Government should have been obtained for this special grant why it was not, is not known to me The result is that my case is mixed up with other four Drivers On my representing these facts the Commissioner has been kind enough to recommend my case to Government for special sanction (Memo No 261/54-55 dated 31st May 1955)

In submitting herewith a copy of my representation, I humbly request that you may be pleased to obtain sanction of Government to resolution No 428 dated 6-8-1951, fixing my pay at Rs 65/- from 20-3-50 I am a very poor man and was drawing a very low salary for a number of years without any increments It is only during the last few years of service that the Council were pleased to enchance my grade of pay. I have already drawn the enhanced rate of pay and also retired from 19-6-1955 As such it would be a death blow if the action of the Council is not sanctioned, and I were to be made to refund the salary already drawn

I am a poor man with a big family In view of this and in view of my long and good work in Mysore City Municipality on a very low pay I was re-entertained for one year after my retirement vide G O 2112/C M 26-54-56 dated 29-5-54 In these circumstances, I fervently pray that approval may be accorded for having granted me the salary of Rs 65/- in grade 45-2-65 from 20-5-1950 as a special case

For which I shall be ever grateful

Yours faithfully,

Dear Sir,

Sub: Pension

With reference to my pension, I beg to bring to your kind notice, Sir, that it is in the month of July 1954, I was retired from my services and I was re-entertained again

Since the period of my retirement, I have not been able to draw my pension simply because of the fact that the question of adding the weightage of Rs 5/- which has been recommended in their resolution dated 6 8 1951, by the Then City Municipal Council, has been kept in abyeance by the Government

It is true that this weightage has got to be added and pension declared, but a poor person like myself cannot afford to wait indefinitely and experience hardships for not getting pension, in time

So much so, it has come to my knowledge that it is perhaps better to get the pension first declared on the salary I was getting at the time of my retirement

The question of adding weightage may be taken up for consideration after duly getting the approval of the Government This Sir, will facilitate my getting the pension declared early so tha I may live peacefully Without this it will become very difficul for a man like me who is having a number of children, wife and grand-children to pull on with the family

I therefore request you, Sir, to kindly evince interest in my case and help me get the pending papers from this office and recommend for expedition of the pension

Thanking you, Sir,

Having no other alternative and after having experience an exercising mental agony for over period of two years, I have once again decided to make this special appeal to you with the fervent hope that justice could be had and my prayers granted.

In continuation of my representation dated 14-3-55, 13-5-55, 26-5-55, 12-7-55, 2-8-55 and 10-8-55, requesting to grant the waiting [illegible] of Rs 5/- as a special one Vide Municipal Council's resolution No.408 dated 6-8-1951, I appeal to you once again kindly to consider my case sympathetically and oblige for the waiting of pay.

In this connection, I beg to represent that sanction of Govt should have been obtained for this special grant; why it was not done so is not known to me. The Municipal Commissioner had been kind enough to recommend my case to Government for special sanction Vide Memo No 261/54-55 dated 21st July 1955

From stages I rose to the grade of Rs 50-2-60 and on 1-4-1947 I was fixed on Rs 60/- in grade Rs 50-2-60 and the difference of salary was drawn and paid to me on 31-3-1947. This fixation of my salary was in accordance with G.O No.2/ E 105-48-91 dated 16-2-1949 conveying approval. Later, revision of the graded pay of the several other Drivers was considered and as per G.O No L 1952-9/ RGM 6-49-38 dated 20-5-1950, the revised grade [illegible] of the Drivers became Rs 45-2-65 As I was already drawing Rs 60/- in grade Rs 50-2-60 which was the maximum grade pay of the Drivers was revised with effect from 20-5-50. My salary has been fixed in accordance with the rules at Rs 65/- with effect from 20-5-50 which is one of the stages of running grade of the Drivers which the Honble Minister himself was kind

Sir,

MLD 10/4/55

Sub: Fixing my pay in grade Rs 70-3-100 (Foreman) from 1945.

I beg to submit this application pointing out injustice done to me by the Municipal administrators, with fervent hope of getting justice and fair reeling from you.

I joined City Municipal Service during 1927, as a lorry driver and the services of lorry drivers were made permanent and pensionable, as per Government Order No L.1132-3/M 1. 2-28-11 dated 24th August 1928.

In 1945, the President issued a memo (i) designating me as a Foreman and recommended an allowance of Rs 10/- and the Government were pleased to sanction the above send allowance of Rs.10/- as per their order No L. 2173-4/M 1. 11-45-42, dated 18th September 1945 (ii) As per letter No.M 6-263 dated 13th June, 1947 from the President, City C M C , requesting Foreman to look after the fuel-lorries Government were pleased to sanction as per their order No L 3411-2/M 1. 11-46-13, dated 9 9 46 (iii) On 18 3.1946 a Memo No M 6 315/45-46 was given to me for a transfer to the Municipal Engineer Section from Health Section I was put in charge of Supervising the construction of the Workshop at Sewage Form, Mysore. The above Government Order Conferred on me the designation as "Foreman" since then till my retirement I worked as Foreman

Beg to enclose herewith the copies of Government Orders and memo issued to me by the then President for your kind perusal, and they will speak to the effect that my designation as "Foreman" has been fixed by the Government If need be a certified copy may kindly be arranged to be got from Government quoting the number that I have given in the enclosures I also enclosed a copy of the letter from Municipal Engineer to the Municipal Commissioner regarding my pay and grade

Though the designation as "Foreman" was approved by the Government and the grade of the Foreman was provided in the City MunicipalBudget for 51-52 and 53, I was denied of the right by the mis-management and wrong guidance of the office staff. My constant appeal to the Commissions were either thrown in the Waste Paper Basker or mis-represented in the Council by the office staff

As a result I have not been able to enjoy the privilege bestowed on me by the Government. Before my retirement all my attempt to appeal to the Government were turned down.

Now that I have retired in the megere scale of pay i.e. Rs.65/- and cost heavily by not getting the sanctioned scale of the Government i.e. Rs. 70-5-100 for a Foreman/I request you please to consider my humble appeal sympathetically and render me justice As per Government Order quoted above I am entitled for retirement on a maximum pay of the Foreman i.e. Rs.100 and I hope I will find justice from your generous and sympathetic hand for which I shall feel highly grateful.

Yours faithfully,

Weightage of Pay

I am constrained to write this with a view to effectively bring to your kind notice the following and seek redress

Petitions countless in number, have been submitted to you expressing the hardships, I have been experiencing due to non recognition of my grievances.

This has been my plight for over a period of five long years and am sorry, a poor official, aged and retired, has been subjected to all these humiliations and sufferings

I now request that my petitions submitted from time to time may atleast now be taken up into consideration and redress given.

There has been in ordinate delay and I am being for turned without being given any reply

Instead of making an aged man suffer like this, it is better the matter is decided this way or that way and an endorsement given early

No man who has served the Government loyally for over a period of thirty long years must be made to suffer a slow death this way I am aged, I am crippled and I am made to loose my mental composure.

Thanking you, Sir,

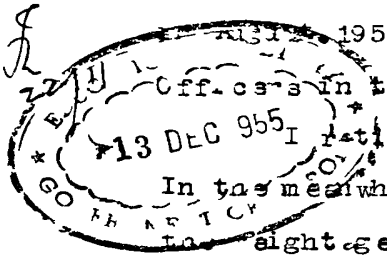
No 2162

Sir,

I respectfully beg to bring the following a few lines to your kind consideration and favourable orders

The revision of scale of pay of the Lorry Drivers Establishment of the Mysore City Municipality was sanctioned by the Government Order No L 1000-G / R C 6-40-38 dated 20-5-50, and was fixed at 45-2-65 Being the Senior most official my pay was fixed at Rs 60/- from 20-5-50 by the Council as per Council Resolution passed in August 1951 This pay of Rs 65/- was admitted by the several Audit Officers in the municipality



I retired in June 1954 and re-employed for one year during 1955 In the meanwhile it appears that the resolution of the Council fixing the aightage had not at all been sent to Government for sanction This seems to have been pointed out in October 54 by the Auditor Why the resolutions of the Council was not sent to Government and whether this was done to the wanton mischief of Municipality of the concerned Municipal staff and why this discrepancy was not noticed by the Audit staff is a point for Government to investigate, xxx

Anyhow, owing to the negligence of these officials, I am now made to refund Rs 197/- which has been duly sanctioned and paid to me as per resolution of the Council passed in August 1951 If the Resolution had been sent to the Government then and there, which should have been done in the usual course of events of the Office, I would not have penalized - and the resolution would have been sanctioned by the Government also

In these circumstances I request you to kindly order the Council not to insist on the recovery of the amount paid to me in accordance with the Resolution of the Council dated August '51, which may be got sanctioned by the Government, at least now as a

as a special case and thus grant relief to a poor old offi[redacted] has served the Municipality so loyally for over 28 years.

To refund the amount justly paid to me, is a sheer injustice which I pray the Government will not allow.

In this connection I may also bring to your kind notice that an interpellation was also put to the Council on 29.9.55, on this subject, a copy of the Interpellation and reply thereto is enclosed for kind information.

The tone of the reply will convince you the callous way in which things are being done in the office and how they try to hushup their blunders by the evasive reply.

I request a favour of early orders of Government in the matter and issue of suitable instructions to the Municipality to return my security deposit without adjusting anything towards so called alleged over payment of salary

Thanking you,

Yours faithfully

Sir,

Re Weightage of Pay

I am constrained to write this with a view to effectively bring to your kind notice the following and seek redress

Petitions counless in number, have been submitted to you expressing the hardships, I have been experiencing due to non recongnition of my grievances

This has been my plight for over a period of five long years and I am sorry, a poor official, aged and retired, has been subjected to all these humiliations and sufferings

I now request that my petitions submitted from time to time may atleast now be taken up into consideration and redress given

There has been in ordinate delay and I am being for turned without being given any reply

Instead of making an aged man suffer like this, it is better the matter is decided this way or that way and an endorsement given early

No man who has served the Government loyally for over a period of thirty long years must be made to suffer a slow death this way I am aged, I am crippled and I am made to loose my mental composure

Thanking you, Sir,

Yours faithfully,
S S Rajoo

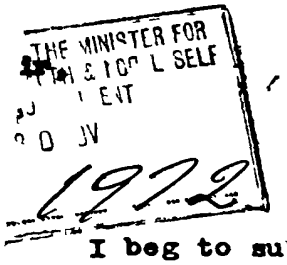
The Hon'ble Minister for Local-Self Government,
Government of Mysore, Bangalore



Sub: Fixing my pay in grade Rs 70-5-100 (Foreman) from 1945

I beg to submit this application pointing out injustice done to me by the Municipal administrators, with fervent hope of getting justice and fair reading from you.

I joined City Municipal Service during 1927, as a lorry driver and the services of lorry drivers were made permanent and pensionable, as per Government Order No L.1132-3/M 1 2-28-11 dated 24th August 1928

In 1945, the President issued a memo (i) designating me as a Foreman and recommended an allowance of Rs 10/- and the Government were pleased to sanction the above said allowance of Rs 10/- as per their order No L. 2173-4/M 1 11-45-42, dated 18th September 1945 (ii) As per letter No M 6-263 dated 13th June, 1947 from the President, City C M C , requesting Foreman to look after the fuel-lorries Government were pleased to sanction as per their order No L 3411-2/M 1 11-46-13, dated 9 9 46 (iii) On 18 3 1946 a Memo No M 6 315/45-46 was given to me for a transfer to the Municipal Engineer Section from Health Section I was put in charge of Supervising the construction of the Workshop at Sewage Form, Mysore The above Government Order Conferred on me the designation as "Foreman" since then till my retirement I worked as Foreman

Beg to enclose herewith the copies of Government Orders and memo issued to me by the then President for your kind perusal, and they will speak to the effect that my designation as "Foreman" has been fixed by the Government If need be a certified copy may kindly be arranged to be got from Government quoting the number that I have given in the enclosures I also enclosed a copy of the letter from Municipal Engineer to the Municipal Commissioner regarding my pay and grade

Though the designation as "Foreman" was approved by the Government and the grade of the Foreman was provided in the City MunicipalBudget for 51-52 and 53, I was denied of the right by the mis-management and wrong guidance of the office staff My constant appeal to the Commission were either thrown in the Waste Paper Basker or mis-represented in the Council by the office staff

As a result I have not been able to enjoy the privilege bestowed on me by the Government. Before my retirement all my attempt to appeal to the Government were turned down.

Now that I have retired in the megere scale of pay i.e. Rs.65/- and cost heavily by not getting the sanctioned scale of the Government for a Foreman/I request you please to consider my humble appeal sympathetically and render me justice. As per Government Order quoted above I am entitled for retirement on a maximum pay of the Foreman i.e. Rs.100 and I hope I will find justice from your generous and sympathetic hand for which I shall feel highly grateful.

i eRs. 70-5-100

Yours faithfully,

To

The Secretary to Government of Mysore,
Education & L S G Departments,
BANGALORE

Sir, Re - Wastage of pay

After my long agitated petitions resting with one dated 30 11.55, you have after all been pleased to send me an Endorsement No L 12750 of 3 1.1956, advising me that the final orders have been passed and communicated to the Municipal Commissioner and that I may contact the said Officer It was somehow a sort of solace to me and with great anxiety I approached the Commissioner, and I was told to my utter disappointment that you have passed your orders as "NOT POSSIBLE" This order is not only unjust but one that is un-warrented by all cannons of equity Before passing such an order, your goodself ought to have considered as to the undue delay caused by the concerned office, in not forwarding the resolution right in time for which I cannot be penalised

It was a voluntary resolution that was passed in my favour on .8.1951 bearing resolution No 428 and the then accountant-cum-Auditor gave a confirmation and thus it was implemented with retrospective effect commencing from 20 5.1950

It is therefore, very strange that this should have been overlooked and for the grave mistake the council clerk committed, I should not at any cost be penalised that too when I am now retired

I also would like to bring to your kind notice that the implementation of the above resolution is legal and cannot therefore be ignored

You may kindly consider this Sir, and help the poor official to rest in peace, and I amy not be driven necessity of running to a court of justice to seek redress

Dated 6-1-56

Yours faithfully,
S S Bajoo
